"Plan Sponsor Networks" means the networks established by AdvancePCS on behalf of its Plan Sponsors pursuant to (i) this Agreement, an addendum hereto or an Enrollment Form or any subsequent enrollment form, each as may be amended from time to time, or (ii) a written agreement, an addendum thereto or a written enrollment form, each as may have been amended from time to time, that was executed by Provider prior to this Agreement (collectively, "Prior Agreements"). Plan Sponsor Networks do not include AdvancePCS National Networks. In addition, Provider shall participate in any Plan participating in the RECAP® Network by submitting a claim as provided for in Section 3. For certain AdvancePCS National Networks and Plan Sponsor Networks, AdvancePCS may allow Provider to participate in such Network by submitting a claim as provided for in Section 3. This Provider Agreement (the "Provider Agreement" or "Agreement") is entered into between Caremark Inc, a California corporation and CaremarkPCS a Delaware Corporation (collectively "Caremark"), and the undersigned provider ("Provider"). Caremark and Provider agree as follows:

1. **Definitions.** Unless otherwise defined herein, capitalized terms used in the Agreement shall have the meanings set forth in the Glossary of Terms contained in the Provider Manual.
2. **Credentialing.** Provider represents, warrants, and agrees that as of the date of execution of the Agreement, Provider is and shall maintain in good standing, all federal, state and local licenses and certifications as required by Law. Provider will provide Caremark with the information required from time to time regarding Provider's credentials, including, but not limited to Provider's licensure, accreditation, certification, and insurance, and will comply with and maintain Caremark credentialing standards and requirements.
3. **Provider Services and Standards.** Unless Provider's professional judgment dictates otherwise, Provider will render to all Eligible Persons the Pharmacy Services to which the Eligible Person is entitled in accordance with the Agreement, the prescriber's directions, the applicable Plan, and applicable Law. Provider will submit all Claims for such Pharmacy Services electronically to Caremark in accordance with the Caremark Documents. Caremark may inspect all records of Provider relating to the Agreement.
4. **Eligible Person Identification and Cost Share.** Provider will require each person requesting Pharmacy Services to verify that he or she is an Eligible Person. With respect to each Covered Item dispensed to an Eligible Person, Provider will collect from the Eligible Person the applicable Patient Pay Amount communicated to Provider through the Caremark claims adjudication system or other method established by Caremark. Except for the collection of the applicable Patient Pay Amount, in no event will Provider seek compensation in any manner from an Eligible Person for Pharmacy Services with respect to a Covered Item.
5. **Network Participation and Payment.** Provider agrees to participate in the networks identified on the attached Schedule A according to the terms set forth therein. Caremark will pay Provider for Covered Items dispensed to Eligible Persons pursuant to the Agreement in accordance with Schedule A. Any overpayments made to Provider by Caremark may be deducted from amounts otherwise payable to Provider.
6. **Compliance with Law.** Provider will comply with all applicable Laws, including but not limited to those Laws referenced in the Federal Laws and Regulations Section and the State Laws and Regulations Section (and attached Addendums thereto) set forth in the Provider Manual.

7. **Indemnification.** All liability arising from the provision of prescription drugs and services rendered by Provider will be the sole responsibility of Provider. Provider will indemnify and hold harmless Caremark and Plan Sponsors and their respective shareholders, directors, employees, agents, and representatives from and against any and all liabilities, losses, settlements, claims, injuries, damages, expenses, demands, or judgments of any kind (including reasonable expenses and attorneys' fees) that may result or arise out of (i) any actual or alleged malpractice, negligence, misconduct, or breach by Provider in the performance or omission of any act or responsibility assumed by Provider or (ii) in the provision of Pharmacy Services or the sale, compounding, dispensing, manufacturing, or use of a drug or device dispensed by Provider.

9. **Term.** The Agreement will begin on the date of acceptance by Caremark and will remain in effect until terminated in accordance with the Provider Manual.

11. **Entire Agreement.** This Agreement, the Provider Manual, and all other Caremark Documents constitute the entire agreement between Provider and Caremark, all of which are incorporated by this reference as if fully set forth herein and referred to collectively as the "Provider Agreement" or "Agreement". Any prior agreements, promises, negotiations, or representations concerning the subject matter covered by the Agreement are terminated and of no force and effect. Provider's non-compliance with any of the provisions of this Agreement, including the Provider Manual and other Caremark Documents will be a breach of the Provider Agreement. In the event there is a conflict between any of the provisions in this Provider Agreement, the Provider Manual, other Caremark Documents and a provision in an applicable State specific addendum attached to the State Laws and Regulations Section of the Provider Manual, the terms of the applicable State specific addendum shall govern.

13. **Lawful Interpretation and Jurisdiction.** Whenever possible, each provision of the Agreement shall be interpreted so as to be effective and valid under applicable Law. Should any provision of this Agreement be held unenforceable or invalid under applicable Law, the remaining provisions shall remain in full force and effect.
